Need a copy of your federal tax return information?

Requesting transcripts (individuals):

You have two easy and convenient options for getting copies of your federal tax return transcripts by phone or by mail.

Request a transcript by calling 1-800-829-1040 or order by mail using **IRS Form 4506T** (request a **Tax Transcript** and let them know to **NOT** send an Account Transcript).

The Internal Revenue Service does not charge a fee for transcripts. Allow two weeks for delivery.

Definitions:

A **tax return transcript** shows most line items from your tax return (Form 1040, 1040A or 1040EZ) as it was originally filed, including any accompanying forms and schedules. It does not reflect any changes you, your representative or the IRS made after the return was filed. In many cases, a tax return transcript will meet the requirements of lending institutions such as those offering mortgages and for applying for student loans.

IMPORTANT: If you have filed an amended 1040/1040A, you must submit the amended return along with a copy of your original Federal Income Tax Return.
